

Y GOALS (Gain opportunities and life skills)

Literacy and Numeracy Programme

Free Programme

What does the programme cover?

Goals is designed to build essential literacy and numeracy skills. It aims to equip learners with the tools they need to grab opportunities in education, employment and life. As learners progress through the programme, it not only builds literacy and numeracy skills, but develops digital literacy and the foundational skills needed to “learn how to learn”.

Who can Enrol

This programme is designed for youth who would like to improve their literacy and or numeracy skills. Y Education uses the Literacy and Numeracy for Adults National Assessment Tool to help us understand your literacy and numeracy needs and eligibility for the programme.

When can I Enrol?

Enrol any time! We have no set intake dates!

Next Steps

- NZ Certificate in Foundation Skills Level 1
