

We don't do bored

# Team-Building through Play, Active Recreation & Sport

## Active fun for all ages

The Y's play, active recreation and team-building activities put the focus on fun! We offer archery, bubble ball, and more than 15 different sports ranging from basketball to ultimate frisbee - plus heaps of wild 'n crazy team-building activities.

We can deliver full-day sessions, or by the hour during lunch times, after school, at **school camps and leadership/team** building days. Let us tailor a programme to suit the needs of your school, business or community group.

# Check out our affordable pricing

## Prices include:

- Session delivery, set up, pack down, and equipment
- Travel to and from venues situated within the Timaru boundary

## Additional Costs:

- Vehicle /mileage to and from location outside the Timaru boundary
- Travel time (\$60 GST per hour)
- Venue hire costs, if applicable

## Archery

What a great activity that can be enjoyed by people of all ages, sizes and abilities. Our trained, qualified facilitators provide all equipment and can set up at your venue of choice. Why not book now and have a go?

## Play Trailer

We bring the fun to you! We've literally got a trailer load of active play and recreation gear and equipment that is guaranteed to get you moving and having a blast as you "give it a go". We can set up in minutes in a park or a playing field near you. Talk to us about how we can tailor a Pop Up event to complement your **school camp or team-building day**.

## Bubble Ball

If you want an activity that involves a lot of hilarity then this is the one for you. Participants are incased in an inflated bubble which safely encloses the persons upper body and head. This allows them to run around, roll and bounce off each other and fall on the ground without getting hurt.

## Play it Forward

This play-based social and emotional learning programme is designed for tamariki in Years 1–4, empowering them to grow kinder, braver, and more emotionally aware—while having fun. Through interactive games, creative exploration, and team challenges, students develop core skills in emotional expression, empathy, self-regulation, and conflict resolution.

Cost of Play it Forward programme delivery: **\$1500 + GST**  
This cost includes eight hours facilitation and two hours inclusive of planning, evaluation, resource, and travel.
